Revit Architecture 2011

Test Drive

Universal CAD would like to invite you to join us for a *FREE* hands-on workshop for **Revit Architecture 2011** – Autodesk's industry leading Building Information Modelling (BIM) software.

Revit Architecture is purpose built for the design challenges of tomorrow – Intuitive and innovative to help you work faster, more effectively and take your designs (*and business*) to the next level.

What is involved –

Our test drive days are a chance for professionals in the architectural field to come and find out what this innovative software is all about, and actually get to try it out themselves with the guidance of our Revit specialists.

By the end of the workshop, you are guaranteed to have a solid understanding of the benefits of Revit Architecture.

You will also have created an entire building using the software, with all plans, elevations, sections, 3D views and photo-realistic renders completed!

*To book your place on a
Revit Architecture Test Drive:*

Contact: **Russell Bigg**

Tel: 01256 352700

Email: russell.bigg@universalcad.co.uk

Our Test Drives are *completely free*, lunch and refreshments are also provided.

9.30am start to approx. 3.00pm finish

We hope to see you soon to put this exciting and innovative software to the test!
